Canned Food Drive

Mr Bohm's Century HS class wrapped up their canned food drive in first place for the district. They collected truckloads of food and bought a pallet of baby food with the funds the Club matched. Optimists were on hand to share the triumph when they rolled their last day's bounty to the collection point.

Team Up at Evergreen MS

The Hillsboro Hops and Hillsboro Optimist Club are teaming up with other sponsors to initiate a Team Up program at Evergreen Middle School. The objective is to support an innovative program that helps students engage with their school and community. The program provides intervention for students who have yet to find success. Working with community partners who are invested, we help kids build belief in themselves while giving back to their communities. The club provided sweatshirts to students (like those seen in the picture).

Bell Ringing for the Salvation Army

The Club took bell ringing shifts for the Salvation Army this year. As part of that effort we hired Glencoe and Century Sparrow Club students. The Sparrow Clubs hire themselves out and donate what they earn to support children in need. As a result of the student effort, the Salvation Army's needs got covered and the Club wrote checks to the Glencoe and Century Sparrow Clubs. Optimist Bill French is shown below, being properly supervised.

Backpacks Go Out

All Saints Parish on 4th and Lincoln has an active program that provides backpacks full of necessities go out to families in need. The connection is made through one of our elementary schools. Many of the backpacks below were originally purchased by the Club for this purpose. This particular distribution consisted of 40 backpacks and went out last week.
