Hello Optimists

## Coming up

May 1—Jennifer Ramirez

May 8—Board meeting

May 12—(Sat) Optimist District  
3rd Qtr Meet in Vancouver WA.

May 15—Rex Watkins of NW Invest  
ments, he's also a swim coach

We had a last minute program change Tuesday and it resulted in more folks showing up for the meeting than we've had recently. Pavla Zakova-Laney told us her lively history since her birth in Czechoslovakia.. She now goes to Cameroon in Africa to work with families for a month or two every year.

Question of the day was, "what would you name your dog if it was named after the last food you ate"?. Wow, some folks eat strange things for breakfast. Things like Eggo & Corn flake. If no breakfast, how about Bushmill ?
