I Am An Optimist Day Is February 1

For the second year, Optimist International is encouraging all clubs to show their pride on February 1. The purpose of #OptimistDay is to promote the values of optimism by wearing Optimist gear. Do it.

NetGen Program Discussion

Optimist Jack Thornton and NextGen Program Director Naomi Brown met to discuss continuing Optimist support for Miller East work (1/2/2018). HIP is now officially called NextGen and program rules have substantially changed. Due to the rules, Miller East will be serving older youth for the most part and will not be offering the incentive materials we supported last year.

Their programs will be focusing on selected career paths. Much training actually will take place on the other side of Portland; this does not appear to be good news for what has been a solid Washington County effort.
