

Hillsboro Optimist Club Stays Active

From Boar Meetings to Food Donations, the Hillsboro Optimist Club is staying busy even in the pandemic. Read below for our latest news, and join a photo-op today!

Sports Outreach NW - Sponsorship Photo Opportunity

Join Club President Bill French today at 3:30 to present a sponsorship check to Sports Outreach NW for their work with youth in the community at Alliance Bible Church.

Click below for our calendar of events and for more information on today's opportunity.

Upcoming Events

Feeding the Front Lines

The Hillsboro Optimist Club donated money to purchase food supplies for the front line volunteers at the Hillsboro Stadium COVID testing and vaccination site.

Last weekend, members of the club met at local restaurant Great Harvest Bread Co., to pick-up sandwiches to deliver to the volunteers at the stadium.

Club member Dennis Sprague, Great Harvest Bread Company, and Club President Bill French collect sandwiches for delivery.

Club members bring the donated lunches to the Hillsboro Stadium COVID location last weekend.

Member Reminders:

- Club Secretary Sarah Newton is in search of any and all old files pertinent to the club; photos, meeting minutes, program brochures, etc. If you have a need to do a little spring cleaning on your computer or file cabinets, please keep her in mind as she updates our club history on the website.
- International Office and Board of Directors Election; coming up April-May of this year, members have the chance to vote for candidates from around the world for leadership on the international level. Visit [Optimist International](#) for more information and forums on the candidates.
